C. PERMISSIONS AND COPYRIGHT

Q13 PERMISSIONS

We require signed Access, Permission and Copyright forms with all detailed applications, to indicate that the archive owner has agreed to allow access to the material. If the material is in copyright the archive owner or rights holder must sign the longer version of the form (Parts A and B) but where the original material is out of copyright and in the public domain, we still require permission to use and distribute the material for non-commercial purposes (Part A only). The form can be downloaded from here and uploaded by the applicant when completed by the archive owner(s).

If the project involves national or state records, your application must include confirmation that the appropriate governmental department has been consulted and has given permission for the work to go ahead. Q13a Have you submitted Permission and Copyright forms with this **YES** NO application? Q13b If yes, please list signatories. If no, please explain why you have not submitted the forms. Q14 **COPYRIGHT** It is the applicant's responsibility to determine the copyright status of the material in the country in which it resides. If copyright exists in the original materials, applicants must seek permission from the creators and owners for materials to be published under a Creative Commons Attribution-Non Commercial 4.0 Licence (CC BY-NC). Material published under this licence can be used for research and non-commercial purposes only. Details can be found at: https://creativecommons.org/licenses/by-nc/4.0/. In addition, metadata submitted to EAP as part of a project's results will be released under a CC0, Public Domain Dedication, which will be free from any copyright restrictions.
